The world's northernmost wildlife Park Ranua is an exciting experience. You can see polar bear and other arctic and northern animals in natural surroundings. You can see over 200 animals of over 50 species as you walk on the 3 km long boardwalk.

During the Christmas season it's busy in the park. During the season from December 1 until January 10 there are also elves in the park. The elf character designed by Marja-Liisa Pitkäranta 'play hide and seek' in the snowy terrain and the yard in the front of the castle, the restaurant and the park entrance is decorated with Christmas lights.

Buffet lunch in zoo's restaurant. Traditional Lappish cuisine.

Price: € 95/ adult, € 65/ child 4-12 yrs

In the evening an international Christmas dinner buffet is served at the restaurant.

20:00–23:30 **Optional activity: Aurora Borealis picnic by snowshoes.** We start from your hotel and drive to the forest away from the distracting city lights. When the sky is clear and luck is on our side we do a short hike with snowshoes under the flaming Auroras and make up a fire on a spot where the sky is open. And even if the sky is cloudy and we don't spot any Auroras, we get so much! The dark and tranquil nature is such a thrilling experience and we learn a lot from our experienced guide. Around the fire we hear many stories about Aurora Borealis, both believes and facts. With a rested mind we head back to the city – hopefully under the flaming Northern Lights.
